

The first pallet network national hub to achieve BRCGS certification for the Global Standard in Storage & Distribution

BRCGS

Storage and
Distribution

CERTIFICATED

**Partner with Confidence
Deliver with Assurance**

What this means for you:

➤ Unmatched Quality & Safety

Certified for Category 02 – Ambient Food and Category 04 – Consumer Products, TPN meets the highest global standards for product safety, operational integrity, and quality assurance.

➤ Confidence in Compliance

BRCGS is a globally recognised benchmark used by leading retailers and manufacturers. Our certification gives you peace of mind that your goods are handled with the utmost care and in compliance with industry regulations.

➤ Backed by a Trusted Network

With over 140 depots across the UK and Ireland, and a 605,000 sq. ft. purpose-built central hub, TPN delivers tailored, sustainable logistics solutions with speed, reliability, and reach.

➤ Part of the Culina Group

As part of the UK's largest privately-owned third-party logistics provider, we combine scale with service excellence.
